School Trips and Residential

Residential and excursions will incur an additional fee which is charged during the year.

Catering

- Catering refers to lunches and parents are still required to provide a healthy snack each day.
- Escuela Bosque: EUR 93 per month
- Grade 1 through Grade 7, inclusive: EUR 110 per month
- Fees are charged at EUR 5.50 per meal for Escuela Bosque, and 6.50 per meal for the rest of the school community.
- The monthly fee is calculated based on the number of days for which catering is provided during the academic year, averaged out to an equal monthly rate based on 10 academic months. In this case, if a parent joins during the year, then a payment difference may be charged. If a parent cancels catering during the year, then a fee difference may be charged.
- Canceling catering must be provided in writing before the 25th of the next month and cannot be canceled in the middle of a month.
